Professional Designation Challenge Examinations

The CFP® Certification is the nation's top financial credential. However, did you know that graduates of certain programs can test out of up to 1/3 of the CFP Certification Professional Education Program? Complete your CFP® education cheaper and faster with our Professional Designation Challenge Examinations.

AAMS®, APMA®, AWMA®, CMFC®, CRPC® and CRPS® graduates have the ability to take “challenge” examinations and test out of up to two (of 6) courses in CFP Certification Professional Education Program. This allows you to save time and money by testing out of familiar topic areas from your previous educational experience.

You can reduce the time it takes to complete the program by an average of 6 months while saving hundreds of dollars!
